By Happy Ron, Mike Sullivan, and Risa Faith.

C-4 G-4 Am-4 F-4 (whole song except 4 bar bridge)

**Been working packing groceries for many long years
Been looking for ways to pack up my tears
That's why I write my songs and try to make em snappy
Because it makes me feel
Terribly Happy, Terry Happy, Terribly Happy, Terribly Happy**

**My girlfriend got pregnant Got sick in my car
While I built the crib she just went and barfed
She when she finally popped that kid out she felt
UH UH UH UH
Terribly Happy, Terry Happy, Terribly Happy, Terribly Happy**

**BRIDGE: Dmin-4 G-4 Dmin-4 G -4
If life gets you down, turn it around and be....**

**C-4 G-4 Am-4 F-4
Terribly Happy, Terry Happy, Terribly Happy, Terribly Happy**

SOLO C-4 G-4 Am-4 F-4

**If I never make it, that's okay
You know I'm gonna have plenty more to say
It's all about the people who don't make me feel crappy
The ones who make me feel
Terribly Happy, Terry Happy, Terribly Happy, Terribly Happy
Terribly Happy, Terry Happy, Terribly Happy, Terribly Happy
