                  Bb-4                                  Eb-4                                  Bb-8  
There's laughter in the darkness Music floating in across the bay  
                  Bb-4                                  Gm-4                                  F-8  
He's half listening and wondering How he could have let her slip away  
                  Eb-8  Bb-4  Eb-4  
So long ago but still he wants to know  If anyone has seen her  
                  Bb-4  
And he's sitting out in the night  
                  Eb-2                  F-2                  Bb-4  F-4  
Looking down upon the lights of Taormina

---

                  Bb-4                                  Eb-4                                  Bb-8  
They were young and love was shining Like the colours of the rainbow  
                  Bb-4                                  Gm-4                                  F-8  
Desire felt like choking  Love was smoking under the volcano  
                  Eb-8  Bb-4  Eb-4  
He can still taste her kisses  Sweet as the red wine from Messina  
                  Bb-4  
Now he's sitting out in the night  
                  Eb-2                  F-2                  Bb-8  
Looking down upon the lights of Taormina

---

Eb-8  
Seems like another lifetime  When they rambled along the shore  
Bb-8  
Seems like another lifetime  She used to call him her sweet senior  
Eb-8  
Maybe in another lifetime  On a pathway to the sea  
Bb-4                  F-8  
Maybe there they'll be

**Bb-4** **Eb-4** **Bb-8**  
The crowd calls for the emperor Raise their hands to hail another king
