

While The Night Is Still Young (Willie's Song) - E
INTRO E-6 [B7]

E-6 E7-6 A-6 A-6
Don't let me get old while the night is still young
E-6 E-6 B7-6 B7-6
I got a whole lot of livin' left before I'm done
E-6 E7-6 A-6 A#dim-6
I'll go home to Jesus when the morning comes
E-6 B7-6 E-6 [E-6]
Just don't let me get old while the night is still young

E-6 E7-6 A-6 A-6
You can tell where I've been by the lines on my face
E-6 E-6 B7-6 B7-6
Maybe I've slowed down a little but I'm still in the race
E-6 E7-6 A-6 A#dim-6
When I run out of aces I'll holster my gun
E-6 B7-6 E-6 E-6
Just don't let me get old while the night is still young

A-6 A-6 E-6 E-6
Whether I roll like Willie or crash like Hank
F#7-6 F#7-6 B7-6 B7-6
I'm gonna pull into heaven with an empty tank

E-6 E7-6 A-6 A#dim-6
I'll finish the bottle when the last bell is rung
E-6 B7-6 E-6 E-6
Just don't let me get old while the night is still young
